

Accelerator for Current Expected Credit Losses (CECL)

YourDataConnect has created a data governance accelerator to support compliance with the Current Expected Credit Losses (CECL) regulation in financial services.

The CECL Accelerator includes sample glossaries, business terms, business rules, policies, and data governance operating models commonly used within the financial services industry.

What is included within the YourDataConnect data governance operating model?

- Extensive glossary terms
- Policies
- Business rules
- End-to-end traceability

Figure 1 shows the end-to-end traceability from a business term to business rules, glossary, regulation, and policy in YourDataConnect.
