

Accelerator for the International Financial Reporting Standard 9 (IFRS 9)

YourDataConnect has created a data governance accelerator to support compliance with the International Financial Reporting Standard 9 (IFRS 9) in financial services.

The IFRS Accelerator includes sample glossaries, business terms, business rules, policies, and data governance operating models commonly used within the insurance industry.

What is included within the YourDataConnect data governance operating model?

- Extensive glossary terms
- Policies
- Business rules
- End-to-end traceability

Figure 1 shows the end-to-end traceability from a business term to business rules, glossary, regulation, and policy in YourDataConnect.
